

Authorization to Travel Checklist

RE: Authorization to Travel for Military Purposes

While it's not a Servicemembers Civil Relief Act (SCRA) benefit, GM Financial may provide authorization to transport your vehicle if your orders allow it.

Before this request can be processed, the account must be current, or, if a new account, the first payment must have already been paid. We also require appropriate documentation and information regarding your move.

The following is a checklist of the required information and documents you'll need to provide.

Documents can also be provided via fax or email: Fax: 817-470-9873, Attn: Military Customer Support
Email: MilitaryCustomerSupport@gmfinancial.com

- Proof of U.S. insurance for the vehicle. The policy must be under the buyer(s) name(s) and clearly state the effective start and end dates of the insurance coverage.
- Power of Attorney (POA), if applicable. Requests for authorization to travel can only be initiated by the buyer or co-buyer unless a POA is received.
- Copy of military orders authorizing transportation of a privately owned vehicle.
