LEASE END
GUIDE

LEASE-END
INFORMATION

WE ARE PROFESSIONAL GRADE
As you roll into the last few months of your lease, explore your options and choose the path that’s right for you with this guide.
WHERE DO I RETURN MY VEHICLE?
The GMC dealership where you leased your vehicle is best qualified to help you with the return process. If you have moved a significant distance, you can return the vehicle at any participating GM dealership. You can contact GM Financial if you need assistance locating a participating dealership.

WHEN DO I RECEIVE MY SECURITY DEPOSIT?
If your lease agreement includes a security deposit, it will be returned to you, less any remaining amounts owed under your lease agreement, within 60 days of turning in your leased vehicle.

WHAT CHARGES CAN I EXPECT AFTER VEHICLE RETURN?
You’ll receive an invoice that may include amounts still due on the lease account, excess wear, excess mileage charges, disposition fee,¹ and other applicable taxes and charges. See your lease agreement for details, so you know what to expect. If taxes, citations, tolls or other charges are received after your lease-end invoice has been sent, an additional invoice will be issued.

¹As stated in your lease contract, you may be charged a disposition fee of up to $495, which prepares your vehicle for resale. This may be waived if you buy or lease another new GM vehicle or exercise the purchase option of your lease agreement. Talk to your dealer about your options.

HOW CAN I OBTAIN A PURCHASE OPTION PRICE?
To obtain a purchase option price, contact GM Financial using the channels listed below. Please have your account number, Social Security number or vehicle identification number (VIN) available to help us quickly locate your account. You can also contact the GMC dealership where you leased your vehicle for assistance.

HOW DO I CONTACT GM FINANCIAL?
Message us anytime in MyAccount or the GM Financial Mobile app. You can also text² LEASEEND to 53721. During support hours, call 1-800-284-2271.

²There is no charge from GM Financial, but message and data rates may apply.

○ Not sure if you want to lease again or buy? Visit gmfinancial.com/leaseorbuy to explore which financing option is right for you.

○ Schedule an appointment with your GMC dealership.

¹If you buy or lease a new GM vehicle, your disposition fee of up to $495 may be waived. See your lease agreement for details.

OPTION 3  RETURN YOUR VEHICLE

If you’re not ready for a new vehicle, you can return it to your GMC dealership.

○ Make sure you’re aware of any excess wear by scheduling a complimentary pre-return inspection.

○ Schedule an appointment with your dealership to arrange a return date. Whether you choose to turn in your lease or purchase it, please request to sign the Virtual Check-in Receipt and Odometer Statement and retain that for your records.

○ Be on the lookout for a lease-end liability invoice 30-45 days after vehicle turn-in. This letter will include any amounts still due on the account. See page 3 for more details on charges.
4 MONTHS
GET INSPECTED

Schedule a pre-return inspection within 120 days of lease end for a report on wear and how it can affect amounts owed at lease end. See pages 6-9 for more details.

SELF-INSPECTION
Know what to expect by using the Wear Card that’s inserted in the back of this guide. Find tips and more information at gmfinancial.com/LeaseEnd.

COMPLIMENTARY PRE-RETURN INSPECTION
It’s time to schedule your pre-return inspection. You can schedule this inspection at your dealership or at home or work for your convenience by visiting AutoVINLive.com. You can also contact us through MyAccount, text LEASEEND to 53721 or call us at 1-800-284-2271.

A pre-return inspection can help you identify what repairs might need to be made before you turn in your vehicle to avoid potential fees. However, some lease-end fees may still apply. Refer to your agreement for more information.

REPAIRS AND MAINTENANCE
Before you turn in your vehicle, you may want to make repairs related to excess wear and any outstanding recalls. Once your repairs are completed and before turning in your vehicle, email or fax all repair receipts to us so a credit can be applied to your account. If you elect not to make any necessary repairs, any outstanding charges will be billed to your account.
