Safe Harbor Statement

This presentation contains several “forward-looking statements.” Forward-looking statements are those that use words such as “believe,” “expect,” “intend,” “plan,” “may,” “likely,” “should,” “estimate,” “continue,” “future” or “anticipate” and other comparable expressions. These words indicate future events and trends. Forward-looking statements are our current views with respect to future events and financial performance. These forward-looking statements are subject to many assumptions, risks and uncertainties that could cause actual results to differ significantly from historical results or from those anticipated by us.

The most significant risks are detailed from time to time in our filings and reports with the Securities and Exchange Commission, including our annual report on Form 10-K for the year ended December 31, 2022 and our subsequent quarterly reports on Form 10-Q. Such risks include - but are not limited to - GM's ability to sell new vehicles that we finance in the markets we serve; dealers' effectiveness in marketing our financial products to consumers; the viability of GM-franchised dealers that are commercial loan customers; the sufficiency, availability and cost of sources of financing, including credit facilities, securitization programs and secured and unsecured debt issuances; the adequacy of our underwriting criteria for loans and leases and the level of net charge-offs, delinquencies and prepayments on the loans and leases we purchase or originate; our ability to effectively manage capital or liquidity consistent with evolving business or operational needs, risk management standards and regulatory or supervisory requirements; the adequacy of our allowance for loan losses on our finance receivables; our ability to maintain and expand our market share due to competition in the automotive finance industry from a large number of banks, credit unions, independent finance companies and other captive automotive finance subsidiaries; changes in the automotive industry that result in a change in demand for vehicles and related vehicle financing; the effect, interpretation or application of new or existing laws, regulations, court decisions and accounting pronouncements; adverse determinations with respect to the application of existing laws, or the results of any audits from tax authorities, as well as changes in tax laws and regulations, supervision, enforcement and licensing across various jurisdictions; the prices at which used vehicles are sold in the wholesale auction markets; vehicle return rates, our ability to estimate residual value at lease inception and the residual value performance on vehicles we lease; interest rate fluctuations and certain related derivatives exposure; our joint ventures in China, which we cannot operate solely for our benefit and over which we have limited control; changes in the determination benchmark rates; pandemics, epidemics, disease outbreaks and other public health crises, including the COVID-19 pandemic; our ability to secure private data, proprietary information, manage risks related to security breaches and other disruptions to networks and systems owned or maintained by us or third parties and comply with enterprise data regulations in all key market regions; foreign currency exchange rate fluctuations and other risks applicable to our operations outside of the U.S.; changes in local, regional, national or international economic, social or political conditions; and impact and uncertainties related to climate-related events and climate change legislation.

If one or more of these risks or uncertainties materialize, or if underlying assumptions prove incorrect, our actual results may vary materially from those expected, estimated or projected. It is advisable not to place undue reliance on any forward-looking statements. We undertake no obligation to, and do not, publicly update or revise any forward-looking statements, except as required by federal securities laws, whether as a result of new information, future events or otherwise.

Loan & Lease Underwriting Overview

- Underwriting and funding
 - 14 GM Financial Regional Credit Centers, five AmeriCredit Credit Centers, and two centralized funding centers in the U.S.
 - Underwriting teams split between GM Financial and AmeriCredit
- Custom scorecards are utilized to underwrite and analyze loan and lease originations across the credit spectrum
 - Credit risk appetite and credit mix adjusted through credit policies and program parameters
 - Loan and lease scorecards leverage a long history of retail credit experience
 - Scorecard characteristics are monitored quarterly for statistical consistency
- Funding and verifications
 - Verification process driven by credit tier and conducted prior to purchasing the loan or lease from the dealer
 - Confirm receipt of all contractual documents and confirmation of regulatory compliance
 - Applications for credit tiers below prime generally require proof of income and verification of employment

Loan & Lease Servicing Overview

- Highly tenured servicing team with experience across economic cycles
- Collections centers strategically located to balance the loan portfolio
 - San Antonio, TX; Chandler, AZ; Charlotte, NC; Peterborough, Ontario (Canada and Northeast U.S.)
- Lease portfolio collections handled by dedicated groups in Texas (Arlington and San Antonio)
 - Customer Experience teams supporting lease customers located in Arlington, TX and Chandler, AZ
- Collections split between 5-45 days past due and 46+ days past due
 - 5-45 group utilizes dialer campaigns on eligible accounts
 - 46+ group allocates individual accounts to a designated team within each servicing center to work with individual accounts through resolution
 - Repossession review begins at approximately 70-75 days past due; write-off occurs at 120 days past due
- Dedicated Customer Service team to handle inbound inquiries and some very early-stage delinquencies
- Specialty areas dedicated to deficiency balance collections, bankruptcy management process and loss mitigation, including total losses, impounds and expired loans
- Staffing models utilized to ensure appropriate staffing levels based on origination volume, credit mix and forecasted credit performance
- Small outsourcing team to help support inbound loan and lease customer servicing

U.S. Remarketing Solutions

- Established an industry-leading remarketing team at GM Financial
 - GM Financial remarketing manages operations for both GM and GM Financial owned vehicles
 - Provides cohesive strategy for managing off-lease, repossessed, rental vehicles and company cars
 - Service provider for GM dealers for wholesale selling operations
- Nationwide auction presence
 - Physical auctions: ~50 locations (Manheim and independent)
 - GM Financial on-site representative participates in each auction
 - Review inventory and establish floor levels
 - Real-time decisions to accept/decline bid
 - Open and closed auction sales formats
 - Open sales with all dealers for GM Financial and some GM-owned inventory
 - Closed sales with only GM dealers for company cars and other select GM inventory
 - Auctions simulcast nationwide to all dealers

Lease End-of-Term

- Private-label online wholesale marketplace and inventory management system – DealerSource.com
 - Lease maturity manager, payoff quote information, vehicle grounding functionality and grounding dealer vehicle purchase capabilities
 - Facilitates streamlined “grounding” process to terminate leases at GM dealerships
 - Provides single-source online access to purchase a wide range of pre-owned GM vehicles, including off-lease, rental vehicles and GM company cars
- Program designed to support GM dealer base while maximizing resale values
 - First few online selling iterations exclusive to GM dealers
 - Vehicles are listed on DealerSource and OpenLane.com until arrival at a physical auction
 - Leveraging extensive nationwide network of physical auctions
 - Targeted marketing efforts for both online and physical auctions
